MSLS-CO4-SS25 – I4LS – Grading scheme for project work

Tutor: Norman Juchler
Student(s):
Project title:

Overall grade 4.44
Grading completed Yes

30% Content / Segmentation

	Does apply?	Weight factor	Fully satisfied	Partially satisfied	Not satisfied	Score
Have the students developed a **good understanding** of the systems or concepts being studied?	Yes	2		x		2
Did they choose **appropriate segmentation methods** to solve the task effectively?	Yes	2	x			4
Is the provided **solution functional** and correctly implemented?	Yes	2			x	0
Is the **code** clean, readable, and logically structured?	Yes	2		x		2
Were all required **processing steps** completed as outlined in the instructions?	Yes	2	x			4
Did they identify and address **dataset-specific challenges**?	Yes	2		x		2

Total score	Max. possible	Grade	Weight	Completed
14	24	3.92	**30%**	Yes

20% Report / Documentation

	Does apply?	Weight factor	Fully satisfied	Partially satisfied	Not satisfied	Score
Are the **context, the data and the problem** adequately described? Are the project goals clear?	Yes	2		x		2
Did the students adequately **discuss their findings**, addressed limitations, and discussed potential improvements?	Yes	2	x			4
Is the report **comprehensible and complete**, while at the same time concise and to the point?	Yes	2			x	0
Neatness: Does the manuscript use proper language (orthography, style)? Is the report aesthetically appealing?	Yes	2	x			4
Are **sources and references** cited properly, and is the project in compliance with the university's AI policy?	Yes	2		x		2
Did the students provide a **tidy folder** containing data, notebooks, and other resources in a structured manner?	Yes	2	x			4

Total score	Max. possible	Grade	Weight	Completed
16	24	4.33	**20%**	Yes

30% Presentation / Video

	Does apply?	Weight factor	Fully satisfied	Partially satisfied	Not satisfied	Score
Did the presentation introduce the **context** and motivate the project?	Yes	2	x			4
Were the **methodology and results** explained in a clear and engaging manner?	Yes	2	x			4
Did the students demonstrate a **solid understanding** of concepts?	Yes	2		x		2
Did they make good use of **multimedia resources**? (e.g., Powerpoint slides, …)	Yes	2		x		2
Was the presentation **comprehensible**? Did the students meet the **time** limit?	Yes	2	x			4

Total score	Max. possible	Grade	Weight	Completed
16	20	5.00	**30%**	Yes

20% Creativity / Overall impression

	Does apply?	Weight factor	Fully satisfied	Partially satisfied	Not satisfied	Score
Did the students demonstrate **curiosity and engagement** with the subject matter?	Yes	2	x			4
Was the project of sufficient **scope and complexity**?	Yes	2		x		2
Did they explore their **own approaches** and go beyond the minimum requirements?	Yes	2		x		2
Were they **reliable**? Have the students provided all requested **deliverables**? Were they on time?	Yes	2		x		2
Were they self-organized? Was the **teamwork** fair and effective?	Yes	2	x			4

Total score	Max. possible	Grade	Weight	Completed
14	20	4.50	**20%**	Yes
